

Porcelain Angel

Eighteen year old Dylan is popular, the star goalie for his high school, and telepathic. Fearing rejection from everyone--including his family--he keeps his mindreading a secret. The ability has made his life predictable and dull. That is, until Angel arrives. The artistic and unaccepted new girl in town, is an intense mystery to him; even as he discovers he can feel her emotions and experience her memories. Memories so dark, they change his world forever. Deep emotions and humor intertwine in this modern romance about finding love, acceptance, and strength. Porcelain Angel is an edgy, young adult novel. CONTAINS: adult situations and language.
