

Audubon Songbirds & Other Backyard Birds Calendar 2014

Plump jays, cheerful chickadees, resplendent hummingbirds, and robins charming heralds of spring. Offering a sighting a day for America's 51 million birders, Audubon Songbirds is the beloved and bestselling calendar from the organization that is synonymous with birds. On each month's spread is a large photograph at the top of the page and dozens of smaller ones in the grid below, all in full color. Your favorite backyard friends up close and personal.
