

The Field of Social Service (Classic Reprint)

Excerpt from The Field of Social Service This volume is the outcome of a course in social service primarily intended for volunteer social workers and given on request. The difficulty of finding a suitable reference or text-book, presenting the whole field as covered by the course, suggested the need for this book. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
