

Si Lewens Parade: An Artists Odyssey--Limited Edition

150-copy Limited Edition. Includes an exclusive printsigned by both Si Lewen and Art Spiegelmanpackaged in a deluxe cloth slipcase. Si Lewens Parade is a timeless story told in a language that knows no countrya wordless epic that, despite its muteness, is more powerful than the written or the spoken word. First published in 1957, The Parade is a lost classic, newly discovered, remastered, and presented by Art Spiegelman, the Pulitzer Prizewinning author of Maus. Reproduced in a unique two-sided accordion-fold format with an extensive overview of the artists career on the verso, The Parade is a celebration of art and the story of recurring war as Si Lewen experienced it over the past 90 years, watching the joyful parades that marked the end of World War I lead into the death marches of World War II and the Korean War. As The Parade unfolds, the reader is taken on an unforgettable journey of sequential images.
