

Holy Bible And Jesus For Dummies

25% of the books entire profits will be donated to these charities 1.savethechildren & 2.stjude hospital.In the same time its an opportunity to help the author to donate more to the poor,hungry & disable children in America & worldwide.Ninety percent of Americans own a copy of the Bible, and while its the most widely read book, its also the least understood. This book appeals to people of all faiths, as well as those who dont practice any particular religion, by providing interfaith coverage of the entire Bible and the often fascinating background information that makes the Bible come alive.Discover the worlds all-time bestseller in an entirely new light. Whether youre interested in broadening your spiritual horizons, uncovering the symbolism of Western culture, or gaining a deeper understanding of the bible. This is an objective study of the Old Testament, the Gospels and the Quran. This book seeks to spiritually unite by highlighting similarities in the texts. It sheds new light and dispels many preconceived ideas in separating what belongs to Revelation from what is the product of error or human interpretation. The bible is word of God. But if it contains any errors they are simply made by others and not by God. Whatever in the bible matches with science is from God. If some statements have contradictions or are against Proven scientific facts they are simply man made errors.This book confirms both the accurate statements and wrong statements which is still part of bible. Every thing that is accurate is from God in the bible and God doesnt error and God is always accurate. God is truth and truth is above all.God bless all.
