

## The Dreaming: Beyond the Shores of Night

Prepare to enter the world of The Sandman as we journey to the Dream Kings realm, The Dreaming. The talents of some of the industrys top writers and artists are unleashed as never before, as fantasy, mysticism, dark humour and the downright macabre collide in a veritable feast of the imagination. Three very different aspects of The Dreaming are brought to life, exploring tantalisingly exotic outposts of the unconscious. Contains adult themes.
