

The Lost Years of Jesus

Special edition with dvd, documentary evidence of jesus 17-year journey to india, nepal and tibet. Ancient texts reveal that jesus spent seventeen years in the orient. They say that from age 13 to age 29 he was both student and teacher. The events of his pilgrimage from jerusalem to india were recorded by buddhist historians. To this day he is known and loved throughout the east as saint issa. For the first time elizabeth clare prophet brings together the testimony of four eyewitnesses of these remarkable documents. With the thoroughness of a determined disciple turned detective she tells the intriguing story of the international controversy that arose when the manuscripts were first discovered in 1887 by nicolas notovitch -how experts proved they did not exist, only to have them rediscovered in this century by swami abhedananda, professor nicholas roerich and elisabeth caspari. Now you can read in one volume the chronicles and legends of what jesus did and said in india, nepal, ladakh and tibet prior to his palestinian mission and the heartwarming personal accounts of those who made the trek to the himalayas and brought back the most revolutionary message of our time.
